KEHUA TECH

EVA SERIES AC Charger EVA220-C07K-BS

Highlights

Advanced

- Multi networking available: Ethernet, 4G and Wifi
- Smart start and pause for various scenarios
- Scheduled offline charging, cost saving

Reliable

- Leakage protection + emergency stop, and other protection functions
- QR code scanning prevents equipment wear and tear from physical contact and hence saving on cost

Convenient

- Easy installation and maintenance
- Light weight for easy movement

Specifications

MODEL		EVA220-C07K-BS
AC INPUT	AC input voltage range (V)	240±15%
	Frequency range (Hz)	45-66
AC OUTPUT	Output power (kW)	7.6
	Output voltage (V)	240
	Max output current (A)	32
	Cable length (m)	3.5
OTHERS	Leakage protection (mA)	30mA AC, 6 mA DC
	Access control	Scan
	Metering and billing	Billed by energy
	Indicator light	Power on/off, charging, fault
	Ventilation	Natural cooling
	IP level	IP54
	Communication	4G
	Size (WxDxH) (mm)	242x100x355
	Weight (kg)	3.82 (including floor kits: 9.0kg)
ENVIRONMENT	Altitude (m)	≤2000
	Working temperature（℃）	-30~50
	Storage temperature（℃）	-40~70
	Relative humidity	5%~95%
	Options	○Ethernet ○Card ○ 4.3-inch touch screen ○Floor installation kits
